Dear Kevin Sylvester,

The City of Overland Park, KS traffic engineers appreciate the opportunity to comment on the rulemaking which would update the Manual on Uniform Traffic Control Devices for Streets and Highway (MUTCD) incorporated by reference at 23 CFR part 655. Attached to this letter which is submitted electronically to www.regulations.gov are our comments in the requested format which will assist FHWA with cataloging public comments.

We respectfully request your thorough consideration of our comments, corrections, and suggestions when conducting the final editing of the next release of the MUTCD.

Sincerely,

Brian Shields, P.E.
City Traffic Engineer

Brian Geiger, P.E., PTOE
Senior Civil Engineer

Bruce Wacker, P.E.
Supervisory Civil Engineer

Guy Alon, P.E., PTOE
