

Comments on Docket No. FHWA-2020-0001 National Standards for Traffic Control Devices; the *Manual on Uniform Traffic Control Devices for Streets and Highways*; Revision

Please use this form to provide comments on the Notice of Proposed Amendments for the MUTCD.

INSTRUCTIONS:

1. Add your name or organization name where indicated in the footer of this form.
2. Use Table 1 to provide your original comments.
3. Use Table 2 to indicate your agreement with a comment that another commenter has submitted to the docket.
4. Do not adjust formatting of the rows and columns; text will automatically wrap and expand the row height as you type.
5. To add rows to this form, use the "Insert Rows" function, or hover just outside the left edge of the row below which you would like to add a row and click the encircled "+" that appears.
6. If you choose to provide a letter to accompany this comment form, please **print the document as a PDF**; **please do not scan a hard copy**. This will assist FHWA with cataloging your comments.

TABLE 1. ORIGINAL COMMENTS ON PROPOSED CHANGES. Please indicate the applicable proposed Section numbers in the far-left column. In the next three columns, please indicate your agreement, disagreement, or whether the column is applicable to your response by placing a, "YES," "NO," or "N/A" in the appropriate column of the row. If you agree with a proposed change, then there is no need to fill out the additional columns beyond the first two. However, it can be helpful to explain why you agree with a proposed change based on your objective experience as a roadway operator and/or empirical data. If you disagree in part or in whole, then please provide additional information that FHWA may find helpful.

Proposed Section Number(s)	Agree with concept and text as proposed	Agree with concept; suggested rewording of text in Comments	Disagree with concept	Comments <i>Please include justification for your position based on objective experience and empirical data. If there is a specific statement with which you take exception, please provide the Page and Line numbers from the mark-up version of the proposed MUTCD text.</i>
All				See other file submitted to docket which shows detailed recommended changes to the draft MUTCD text, figures, and tables.
4S.01	YES	N/A	N/A	NCUTCD agrees with 4S.01 as presented in the NPA.
4S.02	YES	N/A	N/A	NCUTCD agrees with 4S.02 as presented in the NPA.
4S.03	NO	YES	N/A	NCUTCD supports the addition of new Standard language in Section 4S.03 prohibiting the use of flashing LEDs in the border or legend of any sign to indicate a regulation or condition is in effect. However, in the NPA for Section 4S.03 the proposed text on this subject is shown as Support rather than Standard. It is important that only the warning beacon be used to indicate the regulation or condition is in effect and that flashing LEDs in sign borders or legends are only for increasing sign conspicuity. For this reason, NCUTCD recommends that this proposed Support sentence be revised to a Standard so that there is consistency on this topic between Sections 4P.03, 4S.03, and 4S.04.
4S.04	YES	N/A	N/A	NCUTCD agrees with 4S.04 as presented in the NPA.
4S.05	YES	N/A	N/A	NCUTCD agrees with 4S.05 as presented in the NPA.

TABLE 2. AGREE WITH ANOTHER COMMENTER. If you agree with another commenter, please indicate the commenter with whom you agree with and note any additional information FHWA may find helpful or any exceptions.

Docket Comment Number and/or Commenter Name	Agree with commenter's comments as written	Agree with commenter; with exception(s)	Additional information helpful to FHWA, or exceptions to commenter's comments
(EXAMPLE) FHWA-2020-0001-59	YES	N/A
