Mr. Kevin Sylvester
Federal Highway Administration
Office of Transportation Operations
1200 New Jersey Avenue SE
Washington, DC 20590

Dear Mr. Sylvester:

The Kansas Department of Transportation (KDOT) would like to thank you and your team for producing the proposed 11th Edition of the Manual on Uniform Traffic Control Devices. We are appreciative of the time and effort put in to developing the document and are grateful to have the opportunity to offer comment. Please consider our comments and we hope they are beneficial.

Sincerely,

Brian D. Gower, P.E.
Bureau Chief of Traffic Engineering
