Re: FHWA Docket no. FHWA-2020-0001
National Standards for Traffic Control Devices
Summary of attached comments to the docket

Dear FHWA:

Please consider the following comments to the docket regarding the Manual on Uniform Traffic Control Devices (MUTCD) Notice of Proposed Amendment (NPA) on behalf of the Nebraska Department of Transportation (NDOT).

The NDOT has welcomed the opportunity to comment on the NPA and appreciates the additional 60 days granted to this review effort. We request that this NPA process continue towards the publication of the 11th Edition of the MUTCD and not be paused for a "rewrite" effort. This manual should always remain as a traffic control device manual and not guidelines on safety.

Respectfully Submitted,

Daniel J. Waddle, P.E.
Traffic Engineer
Nebraska Department of Transportation

John R. Selmer, P.E., Director
Department of Transportation
